9494 Deereco Rd
Timonium, MD. 21093

Dear Scott,

Our newspaper offices and facilities are just first rate. Thank you and your subcontractors, every one of them, for the wonderful and timely job they did in getting this work done and done handsomely and in craftsmanlike manner.

Particularly impressive was our job chief, Allen Corbin, who is clearly an over-the-top manager, scheduler and, in dealing with us, statesman. What a good guy!

We were lucky to find you.

All the best,

Michael
